PROJECTS

Game Developer Portfolio Site— *Website*

A website I created to showcase my skills as a developer. I created this using Vite with React.

https://benjamin-ramas.github.io/game-dev-site/

Lucky Loop— *Game*

This is a game jam game created for the GMTK 2022 game jam. I was the sole developer.

DivinEmu— *Game*

This is a game jam game created for the Mini Jam 132. I was the sole developer.

Lucky Loop— *Game*

This is a game jam game created for the GMTK 2022 game jam. I was the sole developer.

Monolink— *Game*

This is a game jam game created for the GMTK 2021 game jam. I was the sole developer
